“

When I decided to pursue my Executive MBA program, I looked around at the testing that was available to me...I was really excited to see there was [the] new Executive Assessment that was available for working people to take. It wasn't only the time it would take for me to prepare for it, but the simple fact that I wasn't going to be behind a computer for hours”

– Jenn Tumminio, Executive MBA Student

# Inside the Executive Assessment

## What It Is

The Executive Assessment, designed by the Graduate Management Admissions Council in partnership with business schools from around the world, is comprised of three sections:

1. Integrated Reasoning
2. Verbal Reasoning
3. Quantitative Reasoning

## How It Works

You receive a total result based on each section of the assessment.

By using a scale of 0-20 in Integrated Reasoning, Quantitative Reasoning, and Verbal Reasoning the total score ranges for 100 to 200.

## What You Get

No need to wait to learn how you did on the assessment – see your results instantly onscreen.

Access and download your full report within 24 hours in your My Account personal dashboard. And, we'll send your results to an unlimited number of schools of your choice – at no additional cost to you.
