## Prepare for Success

The Executive Assessment was specifically designed to allow candidates to feel prepared for test day in less than four weeks with the help of official practice assessments and questions. We offer several options for candidates to prepare for the Executive Assessment.

### Official Practice Premium Collection

Our most complete Executive Assessment Official Prep offering which includes Official Practice Assessments 1 & 2, and Official Practice Assessments 3 & 4 and Official Practice Questions, Official Integrated Reasoning Practice Questions, Official Quantitative Reasoning Practice Questions, and Official Verbal Reasoning Practice in one discounted collection.

### Official Practice Assessments Bundle

This bundle includes both our Official Practice Assessments 1&2 and Official Practice Assessments 3 & 4 providing four distinct practice opportunities before candidates take the actual Executive Assessment. Each of the four practice assessments is comprised of 40 questions which mirror the content, structure, and scoring seen in the Executive Assessment.

### Official Practice Assessments (1 & 2) and Questions

Candidates can enhance their Executive Assessment prep and their assessment experience with the core prep materials, Official Practice Questions and Official Practice Assessments 1 & 2. This bundle includes 300 practice questions with answer explanations and two practice assessments (40 questions per assessment), which mirror the content and structure seen in the Executive Assessment.
